### Introduction

This Departmental Records Retention Schedule (DRRS) for the Assessor-County Clerk-Recorder, Recorder Department (ACR-R) is adopted as per the recommendations of Board Policy A-43 and supersedes the DRRS adopted July 25, 2017 as agenda item # 3.12.

This schedule is written with general titles and descriptions rather than identifying specific individual documents or forms. A record with content and function that is substantially the same as an item described in this schedule should be considered covered by that series. This retention schedule indicates the length of time that listed records, regardless of media or format, must be retained by the department before disposition may be implemented. These retention requirements are recommended in order to reduce the costs for the storage and maintenance of records while ensuring that administrative, fiscal, legal and other recordkeeping responsibilities are met.

Records, including copies held for convenience or reference, must be disposed of as directed herein at the close of the official retention period. A full justification for any request to extend the retention period for a particular group of records must be submitted in writing to the Records Management and Archives Program (RMAP) as stated by Board Policy A-43, Section D.5.

If a federal or state statute or regulation specifies a longer retention period for any records series received, created, or maintained by the department, the statute or regulation override this schedule and the department must amend its records retention schedule as soon as practicable. In addition, a record may not be destroyed if notice of litigation, audit, public records request, etc. is received prior to the expiration of the retention period. For records held for audit purposes, the Auditor Controller's Office, or appropriate auditing authority, will notify the department once the audit is complete. In the event a lawful claim or a lawsuit is made against the county of Riverside, the department will suspend destruction of the subject records until all issues of the matter are resolved. Further, if the department is notified by County Counsel or Human Resources to put documents on hold due to a claim or other legal proceeding, the department will suspend any records destruction of the identified documents. (Board Policy A-43 § D.9)

The department will maintain the requested records until the close of litigation or proceedings plus an additional ten (10) years. The department is responsible for ascertaining the correct date of closure in order to establish this ten (10) year retention period. Furthermore, the department is responsible for establishing appropriate procedures to ensure that records are retained for the period of time mandated and that the records remain accessible as required.
